MEMORANDUM

To: Louise Fontaine Ware, Director
Department of Professional and Occupational Regulation

Eric Olson, Executive Director
Board for Contractors
Department of Professional and Occupational Regulation

From: Eric A. Gregory
Assistant Attorneys General

Date: September 23, 2004

Subject: Letter of Assurance - Tradesman Regulations Revisions

I have reviewed the proposed revisions to the Department of Professional and Occupational Regulation Tradesman Regulations (18 VAC 50-30-10 *et seq.*) to conform the regulations to the relative statutory framework and requirements. In my view, as counsel to the Board for Contractors, the proposed revisions to the Tradesman Regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor does it conflict with any federal or state law.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed as a comment for or against the merits of the proposed legislation
